Eagle Run Corporate Team Challenge!

May 27, 2017 • Avon High School

What is the Eagle Run Corporate Team Challenge?

The Eagle Run Corporate Team Challenge is a unique opportunity for area businesses to kick off a healthy summer with a little healthy competition! Just create a corporate team for your employees to join - the team with the most registrants wins the competition, and the prize!

How does it work?

Appoint a Team Challenge captain from your company, register online and "create your team". Then spread the word to all of your employees to come and "join your team". Both online and write-in registration forms have a space available to create or join a team. The team captain will be notified when new team members have registered, and race organizers will keep track of the final tally for each team.

Registrations are not limited to employees only. We encourage family and friends of employees to participate and join the team as well!

What is the prize?

The top 5 corporate teams with the most pre-registrations (deadline May 20th at 5pm) will have their company names featured on signage the day of the race day. Once the final registrations are processed, the team with the most total registrations will win a free pool party at the Avon Aquatic Center.
