

Weekend Timer Job Description

Be a part of the excitement that our races bring to the community and the charitable organizations we serve!

Hermes Sports & Events is currently seeking part time weekend help timing and scoring races. Races are typically on Saturday and Sunday mornings from 7:30am to 10:30am. We want timers to work a minimum of 2 times per month to stay sharp, but you can work more days if desired. Most of these races taking place in the April to October timeframe.

Training will be provided for everything listed in the responsibility section below. We are looking for people that are comfortable with software and computers as a prerequisite. All computers and equipment will be provided for you.

Responsibilities

- Set up the physical start and finish lines – this includes Timing Decoders and road mats
- Set up cellular and WIFI connections
- Run two software programs
- Process the results accurately and address issues
- Post Results
- Break down all equipment

Pay

Training with Lead Timer	\$60 per race
Level 1 Lead Timer	\$100 per race
Level 2 Lead Timer	
Level 3 Lead Timer
